The Honorable Randy Heath
City of Jackson

Dear Mayor Heath:

I am writing to express our concern for the naming of our road/street. As you know, we live and have our business on the same street. According to the United States Postal Service, our address is on Watts Blevins Road. However, according to city plat maps, it is on Ballard Street. There is a Ballard Street (the other extension of the road, though they were never joined) in "the Heights" which causes great confusion for GPS devices.

This discrepancy in address and street name causes distress to truck drivers and delivery services alike. We are seeking to resolve this by requesting that the City of Jackson officially change the street name to Watts-Blevins Road (or street if that is what is most proper). Your assistance in this matter would benefit the commerce that we participate in.

Thank you for your prompt response to my request.

Sincerely,

Bobbi D. Montgomery
